A Note From Sr. Sabreen

Assalam Alaikum! I hope you all had a wonderful and restful break. January will be our last month of assessments before Term 1 report cards are sent home. This month there will be a stronger emphasis on oral presentations and daily speaking strategies. There will also be an emphasis on critical thinking as we explore media literacy and inferencing. Please ensure you are keeping up with daily homework as this will help your child's understanding of concepts that are taught in class.
