A Note From Sr. Sabreen

Assalam Alaikum! This month will be a short but packed month. Students will learn about the publishing process and begin work on their "All About Books." The Grade 1 students have been working incredibly hard and deserve a wonderful party before their break. After the break, the students will have an indoor workshop with "Mad Science" where they will learn in an engaging manner. "Weekly Poem" tasks will stop after the March Break and additional homework and/or new tasks will be assigned.
