Assalam Alaikum! We are in the last leg of the school year Alhamdulillah. This month will be spent completing our final units so we can explore Grade 2 concepts in June. We will also be having the Speech Competition this month, something the students have been preparing for all year long. There will be no homework assigned in Ramadan except for Word Work and weekly spelling tests. Please note, the Ramadan dismissal time is 2:00 pm for Grade 1 students.
